

Daniel Abramov

I am Daniel Abramov, and I am running for the Board of Directors of YCC74. With over 13 years of experience in strategy, finance, business development, and digital marketing, I am passionate about bringing my expertise to enhance our community.

My leadership roles span multiple industries, where I have consistently delivered positive results. As the Chief Digital Officer at TKEES, I have driven significant growth, including an 18X increase in digital revenues - I can do the same for YCC74.

Personally, I have a partner, three kids, and I am dedicated to creating a safe and thriving environment for all families in our community. I have been an owner in our complex since 2022 and am deeply invested in its prosperity.

Please vote for me in the upcoming election so that together we can create a better future!
